

In regards to the above mentioned proceeding, K-Love, a radio station of the FM translator service, is the an asset to the local community. It is one of the few stations that spread the Gospel and the message of Love to listeners. Young kids listening to the encouraging stories of this radio station will make better decisions in their life. K-Love and its nationwide popularity allows listeners to travel across the states and still listen in the this favorite radio station. I ask that you allow stations like K-Love to continue bringing the good message to many listeners.
